

PROOF POS: FERMI COLLIDER as PLASMA-BREACH/GRAY-HOLE Space/Time port INADVERTANT

Jake Harbach O'Sullivan

*** OF IMPORTANT NOTE: Via 'elements within the current Administration' Parameters of the following matters have been PROVIDED TO THE SAUDIS via the U.A.E. Green Project which MUCH MORE than it PURPORTS to be. . . *** PROOF POSITIVE *** Jake Harbach O'Sullivan

FERMI LAB CHICAGO: Is Fermi Lab actually a Quasi-GRAY-HOLE CENTER/DARK ENERGY PLASMA BREACH REACTOR and an ACCIDENTAL SPACE-TIME PORT? ? ?

'FOCUSED GRAVITY PROPULSION CRAFT, which are 'slightly mis-placed from their HOME TIME, have with disconcerting regularity recently been suddenly showing up in & around & above CHICAGO O'HARE AIR-PORT. These LARGE, IMPOSSIBLY QUICK, & wingless HOVERABLE CRAFT which are SOMEWHAT AHEAD OF THE CURRENT FLIGHT TECHNOLOGIES have been lingering above the FLIGHT PATH AIR-SPACE in seeming stunned confusion at beheld an ANTIQUE WINGED JET AIR-CRAFT SHOW BENEATH THEM parked at the passenger loading terminals! ! !

*** ? ! ? ! WHY ? ! ? ! ***

*** ? ! ? ! AND WHY IN REGULAR PROXIMITY DIRECTLY IN THE AIR-SPACE ABOVE FERMI-LAB ? ! ? ! ***

THE ANSWER IS QUITE SIMPLE: Invertant to FERMI-LAB's intended design as a CIRCULAR TRACK PARTICLE COLLIDER: 'Fermi' is FACT a HIGH-POWERED SUPER-MAGNETIC FIELD RING-REACTOR UNDER CONSTANT POWER TO SUSTAIN MINISCULE AMOUNTS OF COLLECTED ANTI-MATTER IN PERPETUITY; and 'not' doing this very well . . . BUT. . . IN SHORT; FERMI-LAB Ring Collider 24/7/365 NEVER SLEEPS. . . BUT FERMI has in fact accidentally become a SPACE-TIME HYPER-GRAV SUMP-SNARE which thusly becomes an 'accidental' SPACE-TIME 'port' for CRAFT that SHARE MANY DESIGN PARALLELS to Fermi Collider relative to their own PLASMA-BREACH DARK-ENERGY bleed-through ADVANCED PROPULSION POINT-LEAD/HYPER-GRAV FOCUSED LOBE drive reactor SYSTEM. This drive system displaces the craft/reactor slightly 'out of/against' NORMAL SPACE-TIME flow AND when the reactor's back-pulse RE-ENGAGES it SLIGHTLY-BACK into space normal it is pulled SLIGHTLY AGAINST the NORMAL FLOW OF SPACE TIME. Or; with the reactor's normal rapid fire micro pulse tesla function; it becomes a quasi 'time machine.' BUT A LARGER 'PULL' (via the Plasma Breach Toroid-Centre GRAY-HOLE effect)from FERMI could DISPLACE NEAR FUTURE HYPER-GRAV CRAFT leaving CHICAGO-O'HARE more PROFOUNDLY 'pulled-BACK against 'Normal Time Flow') & thusly more DISTANTLY 'BACK' OUT OF THEIR OWN TIME into OUR IMMEDIATE PRESENT. . . oops!

IN POINT OF FACT: FERMI-LAB COLLIDER is a HUGE MODEL of that specific type of DARK-ENERGY bleed through INCIPIENT PLASMA BREACH/BALANCED 'GRAY-HOLE' Ring Reactors which also PROPEL THE MYSTERY CRAFT that have been showing up in immediate proximity to FERMI-LAB CHICAGO. BUT THE COLLIDER'S SUPER GIGA-EM RING ARRAY LACKS A 'SUPER-CONDUCTOR' CORE TO BE A FULL PLASMA-BREACH QUASI-GRAYHOLE DARK-ENERGY BLEEDTHROUGH & functional cross spectrum worm hole reactor. . . *** AND FERMI-COLLIDER has AMPLE GIGA-EM POWER to bring the REACTOR TOROID-FIELD up to KICK-START statis/CROSS SPECTRUM ENGAGEMENT EM-SPEED-DENSITY PLATEAU which inturn via 'cross-spectrum field viscosity' does ACTUALLY engage(and thusly start) the necessaryPARALLEL DARK-ENERGY SUPERSPACE toroid/maelstrom. Through that Dark-Energy TOROID EYE connecting to the REACTOR/COLLIDERS toroid field EYE is effected the SELF PERPETUATING FIELD INDUCTIVE 'Balanced quasi-Gray Hole' BLEEDTHROUGH FIELD flow from DARK-ENERGY SUPERSPACE. THE FERMI-COLLIDER ,with Super Conductor CORE RING added to its design THEN BECOMES A LIMITLESS FIELD BLEED-THROUGH INDUCTIVE POWER PLANT, And thusly

it is accompanied to this function simultaneously by its very own PERPENDICULAR AXIAL HYPER-GRAVIONIC 'EYE' field/lobe.

* * * BUT EVEN WITHOUT A SUPER-CONDUCTOR CORE-RING added to FERMI COLLIDER's GIGA-EM/MAG 'Ring Array,' FERMI is 'STILL GENERATING A HUGE ENOUGH TOROID BAGEL-RING MAELSTROM FIELD to EFFECT TO A PROFOUND DEGREE enough CROSS DIMENSIONAL FIELD VISCOSITY to create at least 'PARTIALLY' a PLASMA BREACH/quasi GRAY-HOLE Dark-Energy/Hyper-Grav Axial Bleed-through EFFECT! * * * *

This EYE-AXIAL HYPER GRAV FIELD; rather than being a HYPER-GRAV AXIAL 'JET' is DRAWN DOWN UPON ITSELF BY ITS OWN HYPER GRAVITY INTO A HYPER-GRAV LOBULAR FIELD and which can be then DEFLECTED TO THE 'ABOVE AXIS' only and USED IN craft in much smaller versions to provide LIMITLESS ACCELERATION POINT-LEAD HYPER-GRAV PROPULSION. . . Said craft will be contained within their own mini-poidal quasi-self enclosed 'mini-universe' which will render the craft IMMUNE TO EXTERNAL INERTIAL EFFECTS & AN will be ABLE TO NAVIGATE at least the FRINGES OF DARK ENERGY SUPERSPACE which moves @ HYPER FLUID/HYPER SPEED-DENSITY and thusly via "SPOOKY ACTION @ A DISTANCE" the vast DISTANCES of our own BUBBLE UNIVERSE can be reached @ "VIRTUAL NO-TIME/NO-DISTANCE SPEED" INSTANTLY & EASILY-----any point within/or without OUR KNOWN BUBBLE UNIVERSE. . . . AND NOTE: Light speed within space-time normal 'space' speed is VIRTUAL SLOW MOTION by comparison. . . .

* * * BY THE PRINCIPLE OF CROSS SPECTRUM/CROSS DIMENSIONAL FIELD VISCOSITY Fermi Lab's CONSTANT HIGH POWER MAGNETIC RING ARRAY is STIRRING ADJACENT DARK-ENERGY SUPER SPACE much in allegory to the action of the FLUID DRIVEN CLUTCH ACTION of our VEHICULAR AUTOMATIC TRANSMISSIONS that glide down our freeways/autobahns in profusion daily. . . SO FERMI-LAB's POWER FIELD tends to STIR ADJACENT DARK-ENERGY SUPER-SPACE that is FAR MORE ENERGY SPEED/DENSE & HYPER FLUIDIC than our SPACE-TIME NORMAL SPACE is in a RELATIVE LOW-ENERGY SPEED-DENSITY state in contrast to PARALLEL DARK-ENERGY SUPERSPACE which indicates that any WORM HOLE CONNECTION would tend to FLOW FROM THE GREATER ENERGY ZONE to the lesser. And although our HIGH ENERGY EM-MAG FIELD RING REACTORS would INITIATE THE TOROIDAL CONNECTION transdimensionally, after the initial KICK-START the DARK-ENERGY TENDENCY TO OPEN A WHITE-HOLE is maintained in CONTROLLED GRAY-HOLE BLEED THROUGH STATUS by OUR RING REACTORS by being then in PERPETUAL DRAG-FIELD INDUCTION MODE. This means that once the reaction is KICK-STARTED that the POWER INDUCTION& FOCUSABLE GRAVITY LOBE AXIAL FIELD are in fact INDEFINITELY SELF PERPETUATING like the SPILL WAY CHANNELING THE ENERGETIC FLOW OF AN ENDLESS LAKE OF 'WATERS/HYPER-AETHER/DARK ENERGY SUPER SPACE. . . but Fermi lacks the superconductor ring-array core to go into the PERPETUALLY SUSTAINING INDUCTION MODE from the CROSS DIMENSION/CROSS SPECTRUM quasi-worm hole bleed-through mode of operation.

* * * * THE CRAFT HAVE THAT SUPERCONDUCTOR RING-ARRAY CORE THAT FERMI-LAB LACKS ONE TO BE A 'PERFECT' PLASMA BREACH RING REACTOR like THE INCOMING MYSTERY CRAFT USE FOR A FOCUSED HYPER-GRAVITY PROPULSION: AND THAT MISSING ELEMENT IS THAT A SUPER CONDUCTOR CORE within the CENTRE RING ZONE of its Fermi-Lab's Super Collider MAGNETIC RING ARRAY which would need to be installed to RECIEVE THE INDUCED FIELD OF THE INCIPIENT/GRAY HOLE/PARTIAL BLEED THROUGH ENERGY TO DARK ENERGY SUPER SPACE THAT ITS MASSIVE POWER IS PARTIALLY OPENING US TO. . . AND ADDING THAT: FERMI-LAB WOULD FINALLY DISCOVER FOR MANKIND THE PERPETUAL & INFINITE POWER CONNECTION that has so far LARGELY ILLUDED THEM IN THEIR HYPER EXPENSIVE ATTEMPTS TO COLLECT AND MAINTAIN USABLE AMOUNTS OF ANTI-MATTER. . . ANTI-MATTER IS LARGELY A RED-HERRING, but sometimes HISTORY'S INADVERTANT CONSEQUENSES SOMETIMES BRIDGE US TO OUR GREATEST QUANTUM LEAP DISCOVERIES!

* * * LOOKING DOWN AT FERMI LAB FROM THE AIR-SPACE ABOVE: The ADJACENT DARK-ENERGY Parallel Space which is HYPER-ENERGY SPEED-DENSE has a MONSTROUSLY POWERFUL pull

upon it's ENERGY MAELSTROM by the action of HYPER-CENTRIFUGAL GRAVITATIONAL PULL UPON ITS 'EYE' causes a profound LOW-Energy Speed-Density zone which TENDS TO OPEN AN INCIPIENTLY-PARTIAL BLEED-THROUGH WORM HOLE connected to that PARALLEL CENTRE-EYE ZONE of the PROFOUNDLY POWERFUL PARALLEL SPACE eye-centre of the FERMI-LAB MAG-EM FIELD RING REACTOR. . . THIS WOULD TEND TO ALSO FORM AN INCREASED HYPER-GRAVITY BLEED-THROUGH LOBE IN THE VERTICAL-PERPENDICULAR AXIAL ZONE ABOVE FERMI-LAB's MAG-TOROID BAGEL SHAPED SUPER-FIELD. . . BUT-----SO WHAT?

* * * DARK ENERGY SUPERSPACE being HYPER FAST IN IT'S 'NORMAL' BASE-AMBIENT ENERGY SPEED-DENSITY SPECTRUM; is per EINSTEIN SO PROFOUNDLY HYPER FAST/FLUIDIC/DENSE that it is a place OF VIRTUAL-NO-TIME. . . and CRAFT WHICH ARE PROPELLED BY A PLASMA-BREACH BLEED-THROUGH FIELD FOCUSED GRAVITY REACTOR MOVE within A POD OF HYPER-GRAV ENERGY WHICH QUITE LITERALLY DISPLACES THE CRAFT WITHIN IT'S OWN MINI-UNIVERSE POD-FIELD-----SIDE SLIPPED OUT OF NORMAL SPACE TIME. . . AND WITH EVERY RAPID-FIRE MICRO-PULSE OF THE RING REACTOR TO STAY CLOSE ENOUGH NOT TO BE HOPELESSLY LOST VIA HYPER SPEED FROM OUR OWN PHYSICAL PROXIMITY THE REACTOR PULSES KEEP THE CRAFT 'LINGERING AT THE VERY EDGE' OF BEING IN & OUT OF NORMAL SPACE TIME. . . AND THAT WHILE TRAVELING WITHIN A DISTANCE OF POINTS IN NORMAL EARTH ATMOSPHERIC SKY-SPACE. Such a craft would seem to MOVE SO FAST, AND LIKELY BLINK IN AND OUT OF SIGHT, *that because the 'reentry into normal space time side of the micro pulse tends to RATCHET THE CRAFT BACK AGAINST THE NORMAL FLOW OF SPACE TIME rendering such craft virtual MACHINES. AND ALSO THE INSIDE OF THE CRAFT'S ENERGY POD WOULD BE FUNCTIONALLY WITHIN ITS OWN PSEUDO-POD UNIVERSE & BE TOTALLY IMMUNE TO INERTIAL FORCES OUTSIDE OF THE PODS FIELD.

AND IN THE MICRO-PULSE RELATIVELY SHORT HOP SPEED MODE THE CRAFT COULD LITERALLY SPAN OUR PLANET IN A SERIES OF MICRO-BLINK-SURGE-HOPS VIRTUALLY INSTANTANEOUSLY. . .

* * * EVEN MORE SPOOKY: IS THAT THE MICRO-PULSE HOP MODE WOULD TEND TO FUNCTIONALLY RATCHET THE CRAFT SLIGHTLY -----AGAINST THE FLOW OF SPACE-TIME NORMAL WITH EVERY PULSE. . . THESE CRAFT HAVE BEEN SEEN TO BLINK IN & OUT OF SIGHT INSTANTANEOUSLY ACROSS RELATIVELY HUGE EARTH DISTANCES-----BUT-----THEY LITERALLY ARRIVE(blink in) SLIGHTLY BEFORE THEY LEFT(blink out) !!!

* * * SUCH FOCUSED AXIAL-LOBE HYPER-GRAV DARK-'E' BLEED-THROUGH POWERED CRAFT: * * * ARE VIRTUAL TIME MACHINES !!!

THE FERMI-LAB CONNECTION: AND CONSIDERING THAT SUCH CRAFT LOOM AS THE COMMON MODE OF POWERING MILITARY & COMMERCIAL TRANSPORT IN OUR FAIRLY NEAR FUTURE: THESE 'NEAR FUTURE CRAFT' are getting 'snagged' within THAT DEFACTO-FERMI-LAB CROSS DIMENSIONAL SUMP/QUASI WORM HOLE. And that SPACE-TIME SNARE is being 24/7 FUNCTIONALLY FORMED IN THE AXIAL SPACE ABOVE THE FERMI-COLLIDER which is both inadvertently & accidentally forming that FERMI(virtual SPACE TIME PORT'S QUASI-PLASMA BREACH EYE ZONE.

ANSWER: THAT'S THE 'WHY' & 'HOW' OF THE MATTER. . . ? ? ? TOO FAR OUT THERE FOR YOU ? ? ? A SUPER CONDUCTOR CORE WITH IN THE FERMI-COLLIDER'S SUPERMAGNETIC/EM RING ARRAY WOULD TELL THE TALE!!!

* * * "THE COSMOS IS NOT ONLY STRANGER THAN WE THINK; IT IS STRANGER THAN WE CAN THINK! * * *

* * * PROOF POSITIVE* * * Einstein named observed "SPOOKY ACTION AT A DISTANCE" REAL PHENOMENON is the OPERANT PROOF: SPOOKY ACTION AT A DISTANCE IS THE PRIME PROOF OF THE EXISTANCE OF DARK ENERGY SUPER SPACE THAT VIA THE MAELSTROM EYES at the centres OF ITS OWN FRACTALATING INTERNAL HYPER-ENERGETIC CURRENT DYNAMICS open WHITE-

HOLE BIRTH-Super Plasma Breach Portals that BIG-BANG FORM A CHAMPAGN BUBBLE INFINITY OF UNIVERSES WITHIN THE DARK ENERGY INFINITE AETHRIC-SEAS. OF SUCH AS THIS IS OUR OWN UNIVERSE AMONG THAT CHAMPAGNE INFINITY WITHIN THE ADJACENT/PARALLEL PARENT SUPERCOSMOS's DARK-ENERGY HYPERDYNAMIC/HYPERGRAVIONIC/HYPERFLUIDIC/HYPER ENERGY SPEED-DENSE Aetheric Seas! ! !* JAKE HARBACH O'SULLIVAN

Proton IS the PRIME GRAVITON PARTICLE: DARK-ENERGY (Aethyr)PHYSICS

~Jake Harbach O'Sullivan~ * * * EN AETHROS VERITAS * * * ~E.R./2057~(8)

~PROF. Dr. S. HAWKING JUST LEFT OUT 'DARK ENERGY SUPERSPACE:' OOPSY THAT~:-) And will the REAL 'Graviton' please stand up!!:-)

* * *And the 'Proton as a 'Balanced Grey-Hole SubSingularity Electro-Valent Shell(s) System' IS the PRIME GRAVITON PARTICLE* * *

~Jake Harbach O'Sullivan~

~THE BIG BANG IS THE RESULT OF THE WORMHOLED NEXUS OF SUPERSPACE & SUBSPACE WHICH FORMS THE 'INBETWEEN BUBBLE' WHICH WE KNOW AS OUR UNIVERSE~

BASE Ambient QM-Quantum Mediums of SuperSpace vs. Sub-Space vs. Our Space-Time Normal Base QM-'E'-One Energy-BUBBLE UNIVERSE---->or---> Home 'E'-Bubble Universe Space. . .

~BIG BANG BREACH= SUPERSPACE/SUPERCOSMOS @ BASE-QM-EC³ubed Speed-Density which is 'VIRTUAL NO TIME' & 'VIRTUAL NO DISTANCE' parent hyper speed-dense/hyper fluidic dimensional plateau. . .

AND: SUB-SPACE = BASE Ambient-QM @ approx. Cubed-Root of 'E'-One Energy-

BOTH OF THE ABOVE 'CONNECT/COLLIDE/WORMHOLE' via SUPERSPACE gyro-toroidal maelstrom 'eye-breach/BIG BANG-BREACH-WHITE HOLE' to create our HOME Space-Time BASE-QM-'E'-One Energy'-Space-Time' Normal BUBBLE UNIVERSE. . . .

NOTE: The classic Einstein formula $E=MC^2$ is restated $M=EC^2$ by converting the value of symbol 'E'-energy TO RATHER REFER to the Base QM-Quantum Medium Speed-Density of Energy Value of our Bubble Universes Space-Time Normal state as: 'E'=the PRIME CONSTANT ENERGY LEVEL of our SPACE-TIME NORMAL UNIVERSE; ergo the ~PRIME BASE QuantumMedium ENERGY VALUE~

"OH JOY: NEGATIVE ENTROPY is OUT" & POSITIVE ENTROPY is IN~:-)

~POSITIVE ENTROPY OVER-LAW~PROTONS are the PRIME QUANTUM-GRAVITON PARTICLE(but are all subatomic particles that exhibit VORTICULAR COMPRESSION likewise grey-hole subsingularities attached incipiently to Super Dark-Energy Space and thusly exhibit BLEED THROUGH GRAVITON

PHENOMENON? ? ? "Aye indeed laddy; we're but the bleedin 'back' of the Grand SuperSpace Dark Energy Tapestry!"

***Our Base-QM-'E'-One Energy-BUBBLE Relative Space-Time Normal UNIVERSE is sustained and energized by the Parent Ubiquitous SuperSpace-SuperCosmos. So much for 'negative-entropy laws' which are mere illusions based upon various energy/atomic systems simply being overcome and absorbed by much greater systems. . . THE LAW IS GROWTH but definitely NOT DEGENERATION. . . .

In Short: Our Universe among myriads generally like it is the 'back' of the SuperSpace tapestry.

The SuperSpace/Dark 'E'-SUPERCOSMOS is identified as the Parent Dark Energy Super Cosmos at Ambient Base Quantum Medium Speed-Density Energy plateau @ EC^3 ubed . . .

All PROTONS are the PRIME GRAVITON PARTICLE: These are first formed as Sub- EC^3 ubed Super Space Plasma ingresses our Base QM-'E'-One Energy UNIVERSE-BUBBLE and forms instantly a relative spheroid-wave from of hyper-compressed HELICOID ENERGY-STRING @ speed-density of EC^2 rd.

AND at EC^2 rd the HELICOID ENERGY-STRING within the Ambient Base QM-'E'-One Energy (now)Bubble Universe/Instellar Space INSTANTLY segments in to PROTON-MASS segments that INSTANTLY SUPER CONSTRICT into gyro-toroidal SUB-SINGULARITY STABLE GREY-HOLE energy maelstroms which are RE-BREACH INCIPIENT COUNTRA-PULSE WORMHOLES alternating with whitehole-black hole OCCILLATIONS which also form the AXIAL PROTON GRAVIONIC ULTRA-SPEED DENSE GRAVIONIC-LOBE FIELD which is in point of fact the source origin and very substance of the ELECTRO-VALENT-ONE SHELL(onion layered) of this PRIME GRAVITON PROTON & ELECTRO-VALENT FIELD SYSTEM which is ka the HYDROGEN ATOM....

~And this Hydrogen Atom as the Prime Subsingularity Gray-Hole Atom/Atomic System is indeed the PRIME GRAVIONIC-GRAVITON PARTICLE~

THUS IS MANDATED the principal that since at the Proton Level every last atom of our 'E'-Bubble Universe is a Grey Hole-Worm Hole Connected to the Immensely Greater SuperSpace Speed Density that INDICATES PROFOUNDLY that rather than 'negative entropy' ruling the Cosmos-SuperCosmos Ingress-Egress Fluid Dynamic 'Symbiotic' System; much rather POSITIVE ENTROPY is the governing principle as the Hubble observation of Galaxies ACCELERATING TOWARD THE OUTPULLING GRAVITY OF SUPERSPACE beyond the relatively STATIC FRINGE-ENERGY MEMBRANE BORDERS of our HOME 'E'-One Energy-BUBBLE truly indicates.

AND AS CONCOMMITANTLY GRB-Gamma Ray Burster Jets indicate that our Universe 'E'-Bubble's Membrane-Border by STATIC BALANCE & FLUID DYNAMIC BALANCE is also the demarcation line at which OUTWARD ACCELERATING GALAXIES/Atomic Mass @ Speed-Density of EC^2 rd reach the 'whole body speed' of LIGHT SPEED-'C' which thusly imbalance-BLACK HOLIZES the GRAY HOLE HUB CENTRE OF THE GALAXIES(Stan Woosley) and simultaneously also 'Black-Holizes' the Grey Hole Proton Centres of each and every atom in the galaxy @ light-speed which initializes the egress-reingress of the entire

galactic-mass via HUB SINGULARITY(now) BLACK-HOLE back into the Ambient Base QM-EC³ubed speed-density of Hyper Speed-dense/Hyper Fluidic Dark Energy SuperSpace.

AND THUSLY we observe the resulting/accompanying phenomenon of the GRB-GAMMA RAY BURSTER-jet back here on Earth evenly spaced about in the night sky at the very border/'E'-membrane of our Ambient Base QM-'E'-One Energy Speed Density home BUBBLE UNIVERSE. . . The bubbles are myriad/infinite and the SuperCosmic Champagne is sublime~:-)

~This tallies with Prof. Einsteins prediction of the result of 'M'-mass traveling at light-speed/'C' perfectly and stated as 'M'-mass @ speed-density of EC²rd (times)-accelerated by 'C'-light speed then equals EC³ubed which matches the projected INGRESS BLACK-HOLE SINGULARITY NEXUS SPEED-DENSITY BACK INTO SUPERSPACE, which is again, @ Base Ambient QM-EC³ubed speed density energy dimensional plateau.

***THE BIG BANG is identified as a Worm Hole from Super Space connecting Sub Space simultaneously forming--->SUPER DRAWING-COMPRESSING from out of Sub-Space's Base QM @ speed-density 'cubed-root of 'E'-One Energy' a NEW BUBBLE UNIVERSE of Ambient Speed-Density-Base QM @ 'E' which algebraic 'One-Energy' for this new interpretation of Einsteins Unified Field Theorem which also conveniently aligns in agreement Max Planck & Quantum Physics with Feynman's ZPE/Zero Point Energy and some aspects of 'M-Theory/Super Gravity Theory.'

*****THE BEGINNING-ORIGIN OF THE BIG BANG-PLASMA BREACH-WORMHOLE/WHITEHOLE(and also GRAND CENTRAL WHITEHOLE FOUNTAIN INGRESS of SUPERSPACE PLASMA into our UNIVERSE which also continuously and spontaneously is the PRIME HYDROGEN PRODUCTION POINT & PROTO STAR/PROTO GALACTIC STAGING POINT before the thusly formed galaxies begin their long accelerating journey to the fringe-membrane border of our 'E'-One Energy' BUBBLE Relative Space-Time Normal UNIVERSE where at that border they have reached LIGHT-SPEED and egress via the blackholing of their theretofore STABLE GREYHOLE SUBSINGULARITY HUB CENTRES and respective PROTON GREYHOLE SUBSINGULARITY/PRIME GRAVITON PARTICLE atomic centres. AND thus is created the GRB.(Stan Woosley, Prof.Silk @ Oxford, & Saul Perlmutter of Lawrence Berkeley Lab)

AS THE STORY GOES. . . . The normal fractallating current dynamics of the EC³cubed hyper speed dense & hyper fluidic Dark Energy Super Space/SUPERCOSMOS form naturally 'super-eddys' which become immensely powerful SUPER GYRO-TOROIDAL MAELSTROMS which exert upon their eye-centres profound outpulling centrifric gravionic stress much akin to the hurricane's we observe upon earth. And at the pin-hole point-instant that a sub-EC³ubed state is accomplished via those stretching-thinning centrifric-gravionic stressors; there is opened a violently precipitous wormhole to SUBSPACE @ relative energy plateau of approx. AMBIENT BASE QM- ENERGY SPEED-DENSITY @ CUBED-ROOT-'E'-One Energy-.

OUR SLOW BUBBLE UNIVERSE IS INSTANTLY FORMED BY THE RESULTANT VACUUM COMPRESSION OF SUBSPACE to a roughly SPHEROID BUBBLE @ Ambient Base QM-'E'-One Energy Speed Density level---->(but still; with spectrum-displaced Ubiquitous SuperSpace as perennially the 'Back of the Tapestry' of our Space Time Normal 'E'-One Energy Ambient Base QM-Bubble Universe).

SIMULTANEOUSLY the now BIG BANG PARENT SUPER SPACE WORMHOLE is become within the centre of our New Bubble Universe a PAROXISMALLY INGRESSING WHITE HOLE FOUNTAIN OF SUPER SPACE sub-EC³ubed Plasma which ALSO decelerates instantly to a roughly spheroid wavefront of hyper compressed HELICOID EC²Squared Energy-string: WHILE STILL WE HAVE PROFOUND OUTPULLING GRAVIONIC STRESSORS PERENNIALY FROM THE MEMBRANE FRINGE OF OUR NEW BUBBLE-UNIVERSE BY THE UBIQUITOUSLY OUTWARDLY SURROUNDING EC³ubed HYPER GRAVIONIC/HYPER SPEED-DENSE/HYPER FLUIDIC DARK MATTER SUPERSPACE. Dark Energy SuperSpace is simultaneously ubiquitously the 'back of our 'E'-Bubble Space Universe and the SURROUNDER OF OUR LITTLE BUBBLE. . and simultaneously exerts hyper darkenergy gravionic stressors from within the CENTRES OF EVERY PROTON and also once again as stated, FROM THE OUTER BORDERS OF OUR HOME E-BUBBLE UNIVERSE. . "Is this like Dr. Doolittle's 'Push-me-Pull-Me?'" "And is this why to date nearly everyone has gotten 'gravity' at it's intrinsic root----SO WRONG?"

THE EQUI-STATIC GRAVIONIC STRESSORS UPON THE INTERNAL CONSTRICTING HYPER-SPEED DENSE Hyper-compressed wave-front OF 'Big Bang'/Grand Central White Hole Fountaining' EC²rd E-String and the OUTER GRAVIONIC STRESSORS of BORDER SURROUNDING SUPERSPACE cause perforce the LAW THAT EC²rd E-String segments into PROTON SPEED-DENSITY LENGHT SEGMENTS and constrict spontaneously into Gray-Hole sub-singularity gyro-toroidal maelstrom particles which via their SUPER SPACE EYE-NEXUS INCIPIENT PLASMA BREACH SUB-WORMHOLE CONNECTION FORM THE AXIAL GRAVIONIC LOBE FIELD THAT FORMS THE ELECTRO VALENT SHELL-CIRCULATING as does all MAGNETIC POLAR FIELDS from ATOMIC to PLANETARY to GALACTIC etc. . . . AND THUS IS THE SPONTANEOUS FORMATION OF HYDROGEN.

*****SO SURROUNDING THE PERENNIAL GRAND CENTRAL MATROS FOUNTAINING WHITE HOLE from where we sit appears the GRAND CENTRAL BLUE-WHITE HYDROGEN NEBULA Matros Proto Star/Proto Galactic Rookery.

*****The radiant light spectrum is DEFINED AS A WAVE FRONT OF Hyper-compressed HELICOID 'E'-String @ relative energy speed-density of EC.....or simply 'E'-One Energy x Light-Speed('C')

*****Further accelerated by the outward gravionic stressors of extra-membranous SuperSpace Hyper-Gravionic Dark 'E'-energy light at EC further gains speed-density(though by Einstein's Law not accelerating 'faster' linearly than light speed) and ultimately accelerates/densifies(magnifies speed density via the INDUCED BORDER GRAVIONIC OUTPULLING INDUCTION of Dark Energy SuperSpace which increases the EC-Helicoid Light String Wave-front to EC²rd and thusly segments to form HYDROGEN and more NEBULA/PROTO-STAR ROOKERIES etc. etc. etc.~~~BUT~~~~MID UNIVERSE. . .

??HAWKING'S PARADOX----->THE BIG BANG is fundamentally CORRECT and now(herein) CAUSALLY DEFINED and Einstein's famous insights pretty much dictated coming to SUPERSPACE TRANSDIMENSIONAL THEORY via Relativity & Special Relativity----->However----->THE BIG CRUNCH is CATAGORICALLY INACCURATE & INCORRECT.

POSSIBLY the eventual 'BIG DEFLATION' would be more in concert with the FLUID-DYNAMIC PROCESSES of the Dark Energy SUPERVERSE sybiosis systemic energy interflow with the infinite MULTIBubbleVerses which it engenders suspended within said Dark Energy SUPERVERSE.

~TIME/SPACE-TIME~The really important point to extending Einstein's insights is that SUPERSPACE @ EC³ubed is fundamentally described as VIRTUAL NO-TIME & VIRTUAL NO DISTANCE. And that is because traveling at the fundamental speed-density rate of superspace we would cross our SLOW BUBBLE UNIVERSE via being DIMENSIONALLY SLIPPED INTO SUPERSPACE ----->IN LESS TIME THAN WE CAN AT PRESENT IMPIRICALLY MEASURE~:-) HENSE: There you have 'Spooky Action @ a Distance' which functionally represents 'VIRTUAL NO-TIME' & 'VIRTUAL NO-DISTANCE.'

HARBACH/O'Sullivan's LAW: AND THUSLY it can be easily determined that the definition of our sense & experience of the passage of TIME is merely DEFINED as the INVERSE RATIO OF OUR RELATIVE PLANETARY SPEED DENSITY @ Mass-EC²rd~IN RELATION TO~the Base Ambient QM-EC³ubed VIRTUAL NO-TIME Energy Speed Density of the Dark Energy-SUPERSPACE/SUPERCOSMOS.

AND THOUGH I CALLED THE PROTON 'THE PRIME GRAVITON SYSTEM PARTICLE;' the defacto truth is that EVERY VORTICULAR-HYPERCOMPRESSION SUB-ATOMIC PARTICLE will demonstrate GRAYHOLE SUBSINGULARITY WORMHOLE PROPERTY OF BLEED-THROUGH GRAVITON COMPRESSION/DRAWING-GATHERING/DIMPLING OF AMBIENT 'E'-Space via being fundamentally attached~connected-micro-worm-holed it to Dark Energy SUPERSPACE. . . ??? YES ABSOLUTELY THIS IS THE CASE !! SPOOKY ACTION AT A DISTANCE ANYBODY???

*NEUTRONS are 'E'-compressions that are indeed compressed 'externally' by the dynamic action of the PROTON-GYROTOROIDAL GREYHOLE SUBSINGULARITY GRAVITON SYSTEM NUCLEAR PARTICLE(Atom)----->HOWEVER Neutrons act somewhat as atomic-internal 'roller bearings/field spacers' relative to the multiple proton-electrovalent systems of atoms larger than hydrogen BUT NEUTRONS are NOT themselves greyhole subsingularity gyrotoroids BUT RATHER simply NEUTRAL 'E'-force compactions AND being NOT DYNAMIC are therefore RELATIVELY STABLE. . . . POSITER---Jake Harbach O'Sullivan~Cheers!~:-)

PRACTICAL TIME TRAVEL//DARK-ENERGY AE=EC³ubed:?Concept Craft vs SPACE-TIME?

Subject: PRACTICAL TIME TRAVEL//DARK-ENERGY AE=EC³ubed:CONCEPT CRAFT: What indeed is the CONCEPT CRAFT doing relative to SPACE&TIME?

* * * *EN AETHROS VERITAS* * * *~E.R./2057~ Jake Harbach O'Sullivan

~DARK-ENERGY TECH REALIZED~

INTERSTELLAR SPACE= 1'E' aka AMBIENT Space/Time Normal Energy Speed-Density
Which converts EINSTEIN'S $E=MC^2$ quared into 'M'/Mass= EC^2 quared
Which multiplied by one more 'C'/lightspeed= EC^3 ubed
And that EC^3 ubed= DARK-ENERGY SuperSpace/SuperCosmos which WE &
infinite OTHER relatively LOW-DENSITY universes are as CHAMPAGNE BUBBLES
WITHIN.

AND: EC^3 ubed DARK ENERGY-SuperSpace is a QUANTUM AETHYR Hyper Energy
Speed Dense MEDIUM, which is also HYPER FLUIDIC. AND this is a VIRTUAL NO-TIME
MEDIUM where if we can travel 'SKIRTING IT', and thusly displaced in spectrum from our own
SPACE TIME NORMAL ENERGY STATE; we may then TRAVEL INSTANTLY
in this 'BACK OF OUR ENERGY TAPESTRY MEDIUM mode of travel, via 'SPOOKY ACTION @ a
DISTANCE',
and ARRIVE IN 'VIRTUAL NO-TIME' at opposite sides of our Universe VIRTUALLY INSTANTLY which
in fact become VIRTUAL NO-DISTANCE.

!!! AND WE INDEED CAN: STAR TREK 'TRANSPORTER Teleportation' is
thusly VIRTUALLY a POINTLESS QUEST---because---via the DARK ENERGY bleed through
PLASMA BREACH TECHNOLOGIES which FERMI COLLIDERS accidental configuration
puts us VIRTUALLY on the brink of; the 24th CENTURY is VIRTUALLY UPON US AS WE SPEAK!

~/~TIME TRAVEL & TIME-LESS TRAVEL: Working 'Functional-Spooky
Action @ a Distance via FUNDAMENTAL EINSTEIN.'~~
=DARK ENERGY SUPERSPACE='VIRTUAL NO-TIME' & 'VIRTUAL NO-DISTANCE'~

~GRAY-HOLE~~>Contra-Pulse/Subsingularity/Incipient-Plasma
Breach/EM-Gyro Toroid Maelstrom Reactor~(alternating
white-hole/black hole) Bose-Einstein Super-Conductor Bagel
Ring(induced Hyper-EM via cascading super-conductor ring area OR
simple Tesla-Coil surrounding Bagel Ring making the RING REACTOR THE
CORE OF THE TESLA COIL/now turned 'sidewise' to en-sleave and INDUCE
the CORE SUPER-CONDUCTOR REACTOR BAGEL-RING. Otherwise a Super
Conductor Cascading Carousel ring array supplants the TESLA COIL
INDUCER and each ring is fired separately consecutively or with
cross-phasing; whichever is more effective. . . . A separated firing
capacitor for each separate ring might be 'reversed fired' in
sequence for an EMERGENCY SHUT-DOWN MODE FUNCTION. . .

High density EM-inputs into the reactor "stir"
adjacent-space/super-space dark energy gyro-toroid maelstrom via
CROSS SPECTRUM/DIMENSION FIELD VISCOSITY EFFECT. The Incipient
Plasma Breach Grey hole is thusly 'breached' making the Bagel
Reactor then SELF SUSTAINING VIRTUALLY LIMITLESSLEY. . . the REACTOR

is thusly used as a FIELD DRAG DEVICE TO MAINTAIN STABLE 'GRAY HOLE' STATUS(full 'White-Hole'status or full 'Black-hole' status spell CATASTROPHE. . . We've created a CONTROLLED WORM-HOLE at GRAY HOLE STATUS. . .

Along the axial field through plasma breach-eye breach point/portal develops A HYPER-GRAVIONIC LOBE FIELD deflectable to above and/or below with aluminum alloy parabolic base-sheild. GIMBALING the affair allows for DIRECTIONAL CONTROL and reducing the FIELD DRAG REACTOR STATUS allows for POTENTIALLY MASSIVE ACCELERATION. . . A mobile Bagel Ring Reactor Craft travel GRAVIONIC LOBE CARROT & STICK FASHION and functionally OPENS a SUBDIMENSIONALLY SLIPPED worm-hole JUST AHEAD OF THE CRAFT and closes it JUST BEHIND. . . THE CRAFT IS THEN FUNCTIONALLY TRAVELING within its own REACTOR's MINIPOIDAL SUBUNIVERSE. . . This renders the craft IMMUNE FROM SPACE-TIME NORMAL INERTIAL FORCES. SUBSLIPED INTO SUPER SPACE THE POTENTIAL IS to travel via SPOOKY ACTION AT A DISTANCE withing the SuperSpace field of 'VIRTUAL NO-TIME' & 'VIRTUAL NO-DISTANCE.'

UPON RE-ENTRY INTO Space-Time Normal the HYPER GRAVIONIC BAGEL GRAY-HOLE GYRO TOROID PLASMA BREACH REACTOR -----!PULLS/GATHERS/COMPRESSES!----->Space-time fabric which causes a certain BACK-SKIP IN TIME. . . .

////////////////////////////////////

(C)~UPDATE-Practical time travel~See Stars Last Paragraph~

FOR: Prof. Albert/Evgeny NikitinAcadamie du Sciences en Paris/France & Russi
~C~

Albert: What indeed would the CONCEPT VEHICLES doing relative to SPACE & TIME?

HENSE we arrive back into 'NORMAL SPACE/Time at list a 'speck(millisecons)' BACKWARD IN TIME! !! And maybe we can engineer it for a 'LONGER BACK JUMP;' I LIKE IT! But for every Pulse/Almost(insipient-full plasma breach dialation-MAKE----->and then Pulse-Break the Plasma Breach Dialation the Reactor's SURROUNDING Hyper-Grav Lobe Field as a product of the 'nearly open-Super Space' to 'Our Space'-Plasma Breach NEXUS-PORTAL POINT' dialation-----AGAIN FOR EVERY

REACTOR PULSE OPEN 'MAKE'/PULSE COLLAPSE BREAK the surrounding Hyper-Grav Lobe Field is in fact a PSUEDO POD UNIVERSE surrounding the REACTOR/CRAFT. In real-time we're ONLY seeing the craft as it 'Pulse Slips' NEARLY completely into 'Our Space' and then 'Out' of Our-Space. We are in fact 'seeing' the craft as in the rapid fire 'frames per second' of old fashion motion picture film. And this as it 'appears-fades in' and then 'disappears-fades out' because>its merely just passed(backed) 'THROUGH' our 'perceptual moment in time!'

***And with a hyper pulse rate to the 'hyper-grav lobe incipient plasma-breach EM-Toroid Reactor' the 'speed' of moving in back-step

increments in space time could be practicably expedient. And by then getting just out beyond the solar system into interstellar space and via the hyper-grav lobe drive kicking out a few 'laps' around the solar system into a near light-speed 'coast' in space-time normal space with the Plas-Breach reactor backed off to nil drive our rate of coming 'back to the future' in space time would become a practicable affair.***

Interesting! ~Jake~;-)

~*****~

PARTIALIDAD REPETITIVO:
~C-1~

Albert/Evgeny: I really wish that I could read 'Russi' but alas, no! THE RE-ENTRY SPACE-TIME COMPRESSION concept that I was forwarding was again as 'BACK-JUMPS' in Space Time of MILLISECOND INCREMENTS. And this was considering that the HYPER-GRAV LOBE----Bagel Body Super Conductor INCIPIENT PLASMA BREACH COUNTER PULSE REACTOR had a VERY RAPID~(Make Breach-almost-/ /Then Break Breach) COUNTER-PULSE CYCLE.

Anyway: That is the concept!~;-) ----->~;-)

EXTENDED R & D Concepts: Exerpt extended & a 'little' more clear and 'slightly' better edited

Time Travel is Really NOT that complicated and surprisingly SIMPLISTIC in concept.

HENSE BY ACCESSING Super-Space/Super Gravity with a BAGEL BODY SUPER-CONDUCTOR PLASMA BREACH REACTOR we can PULL TIME INSIDE-OUT & BACK ON ITSELF Mobius fashion.

I have changed / this below / slightly; for clearness>

AND OR UTILIZING A 'MOBILE'(flying) BAGEL-BODY PLASMA BREACH REACTOR: We travel within the SUB-UNIVERSE GRAVIONIC BUBBLE of our Grav-Lobe Plasma-Breach BAGEL BODY SUPER CONDUCTIVE REACTOR Craft as we 'SLIP/Dimensionally Displace' ourselves OUT of the BUBBLE UNIVERSE 'Space Time Normal' parameters of both INTERSTELLER AMBIENT 'E'-SPACE and PLANETARY EC^2(squared) SPACE TIME/EARTH-(planetary)MASS-FIELD NORMAL within 'E'-Space: AND actually AS WE JUMP(bink out & back in) MOBIUS-WISE distort SPACE NORMAL enough to actually have PULLED OURSELVES A BIT BACKWARD IN TIME! !! Thus with each 'pulse' of our Bagel-Body Incipient(make almost & break)Plasma Breach Reactor we 'RATCHET-BACK' milliseconds by RE-ENTRY SPACE-TIME COMPRESSION. Considering the rapidity of the Reactor's cycle this presents us for a quite significant BACK TIME COMPRESSION RATE as regards TIME-TRAVEL. And if each 'Re-entry' pulse is POWER BOOSTED SIGNIFICANTLY the rate and 'Time-Distance' BACK COMPRESSED will increase again the rate of BACK TIME DISPLACEMENT.eg. 'The rate that we may go 'backward in time.'

HERE'S WHAT I'M TRYING TO SAY. With EVERY fractional-second 'Pulse Back' into 'Our-Space' the Breach Reactor-Craft Grav-Lobe Field Pod RATCHETS 'BACKWARD' IN TIME DUE TO 'Re-Entry Space-Time 'Fractional' Hyper-Compression; hence EVERY 'RE-ENTRY' PULSE YIELDS A TIME MACHINE(only backward)EFFECT via RE-ENTRY SPACE-TIME COMPRESSION.

HOWEVER TO GO FORWARD IN TIME: We must use the CONVENTIONAL EINSTEINIAN TECHNIQUE as to simply GETTING AWAY FROM THE PLANET INTO 'Ambient 'E' Prime Base Interstellar Energy Constant SPACE-NORMAL & OUT of any PLANETARY EC^2 (squared) NORMAL PLANETARY GRAVITY FIELD and hence as it were return in a relatively SHORT TIME into a RELATIVELY ACCELERATED Planetary BACK TO OUR 'FUTURE.'~:-)

So TIME TRAVEL IS NOT REALLY THAT BIG OF DEAL IN THE END. . . ;)

TO GO FORWARD is simply 'waiting around in space a bit' and GOING BACKWARD is simply PULSING IN & OUT under Gravionic-Lobe Psuedo-Pod Field Suspension. Again; likely if the IN-PULSE were made to POWER JUMP then the BACKTIME TRAVELING EFFECT would be ACCELERATED.

~^***^~

~(C-2)~

***OUR UNIVERSAL COSMOS-BUBBLE WITHIN THE SUPER-COSMOS UBIQUITOUS PARENT SUPER-ENERGY SEA IS ITSELF A TIME MACHINE. WE MERELY LEARN TO ALLOW ITS RELATIVE CURRENT DYNAMICS/LAWS CARRY US FORWARD AT AN ACCELERATED RATE AND/OR LEARN TO 'TACK' BACK CURRENT VIA THE NATURE OF THE SUPER-COSMOS.

SINCE THE SUPER-COSMOS IS THAT CALLED 'DARK-MATTER & DARK-ENERGY IT IS BOTH HYPER SPEED-DENSE & AS WELL AS HYPER-FLUIDIC. TO 'SLIP' OUT OF OUR SPACE-TIME NORMAL SPACE AND CONCOMMITANTLY SLIP 'AWAY' FROM OUR NORMAL SPACE-TIME PROGRESSION AND ITS PERCEPTUAL SENSE OF TIME ALLOWS US TO RIDE THE HYPER FAST CURRENTS OF SUPER-SPACE. AT THE SPEED OF SUPER-SPACE WE CAN CROSS THE RELATIVE SPAN OF OUR ENTIRE UNIVERSE WITH SUCH DYNAMIC SPEED THAT IT WOULD BE ACCOMPLISHED AN IMMEASURABLY 'SHORT' AMOUNT OF TIME.(HENSE EINSTEIN'S 'Spooky Action at a Distance')

AND ALSO, WHENEVER WE HAD 'SLIPPED' BACK INTO NORMAL-SPACE FROM SUPER-SPACE THERE WOULD BE; (VIA HYPER GRAVIONIC RELATIVE COMPRESSION OF NORMAL SPACE-TIME BY BRIEFLY TOUCHING SUPER-SPACE HYPER SPEED-DENSE SUPER GRAVITY UPON RE-ENTRY); AN ACTUAL 'BACK-RATCHETING' EFFECT IN NORMAL SPACE-TIME. HENSE A 'BACK-TACKING' EFFECT AGAINST THE 'NORMAL' FORWARD PROGRESSION OF TIME BACK WITHIN THE CONFINES AND

TIME-FLOW CONSTRAINTS OF OUR BUBBLE-UNIVERSE
NORMAL.

EXTENDED R & D Concepts: Sub-Dimensional RE-ENTRY miniscule
backsteps via SPACE-TIME super compression.

Time Travel is Really NOT that complicated and surprisingly
SIMPLISTIC in concept.

WE'VE PULLED OURSELVES A BIT BACKWARD IN TIME AS OUR REACTOR
BACK-PULSES BACK INTO 'SPACE-TIME NORMAL SPACE!' We conversely
'go-forward' in TIME by just getting out into Interstellar Normal
Space away from Planetary Normal Gravity Speed-Density AND 'Time'
'passes us up' into the appropriate 'wait' for our return 'farther
BACK into the future.'

THIS IS ALL FUNDAMENTAL EINSTEIN(just 'extended' some)

OUR SENSE of 'Space-Time Normal' is here in the EC^2 Mass Field
WHERE WE LIVE.

*****TO GO FORWARD is simply 'waiting around in space a bit' and
GOING BACKWARD is simply PULSING IN & OUT under Gravionic-Lobe
Psuedo-Pod Field Suspension. Again; likely if the IN-PULSE were
made to POWER JUMP then the BACKTIME TRAVELING EFFECT would be
ACCELERATED. And to time acceleratedly GO FORWARD we just take a
few 'laps'/orbits @ 1/2 light speed(or so) around the solar
system a ways beyond it's outward boundry out in 'Interstellar
Ambient 'E'
Speed-Density/Space-Time-Normal Space;' & then by reaching 'near or
partial'
light speed and shutting down the Hyper-Grav
Lobe/SuperConductor/Bagel-Body Ring Toroid Reactor so as null down
the pulsing/ratcheting 'back time' effect; we then return to the
planet much again farther forward in 'time' eg. Back to the
Future.~;-)*****

WHEN WE LEAVE THE PLANET-SOLAR SYSTEM---->TIME SLOWS DOWN in the
AMBIENT-'E' Field(Interstellar Normal Open Space at 1'E'
Speed-Density Energy Base Constant Level).(This is fundamental
Einstein)

So the MORE speed-dense, THEN the MORE RAPID:-) the rate of
SPACE-TIME--->!! Hense 'Planetary higher-mass EC^2 (squared)
TIME' is faster than much slower-lower Base Energy Speed/Density
Constant of Interstellar space. *And that since we are somewhat
newly quantifying that Interstellar Space's Ambient 'E' (energy
speed-density level) as the PRIME BASE ENERGY SPEED-DENSITY
CONSTANT of our SPACE-TIME NORMAL BUBBLE UNIVERSE.

THE BIG HOWEVER IS THIS THOUGH: That when we pass through the
BLACK HOLE/WHITE HOLE Singularity Nexus(SINGULARITY/PLASMA BREACH)
into the EC^3 (cubed)Super Space Dark-Matter/Dark Energy Base
Energy Constant/Prime Base Quantum(BEC/PBQ) SUPER COSMOS/Super
Space/AEXOVERSE:----->THEN: All bets are

TURNED THE FLIP INSIDE-OUT & AROUND (Inverted) SUCH as allegorically with light CONICALLY FLIPPING HOURGLASS WISE as it passes through a LENSE.

The SINGULARITY NEXUS IS a SPACE-TIME LENSE. Hense----->The 'Law' of the SUPER COSMOS/Super Space is a NULL-TIME/NO TIME DIMENSIONAL UNIVERSE unto itself(And our Universe Normal is a Bubble with many others within the SUPER-COSMOS/Super Space. But that HYPER SPEED-DENSE UNIVERSE functions with a PRIME BASE ENERGY SPEED-DENSITY CONSTANT of EC^3 (cubed) as its base energy level. And EC^3 (cubed) would also be the approx. nexus density of a Black-Hole/White Hole singularity identifying it as the EGRESS/INGRESS PORTAL from THE SUPER SPACE-Dark Matter/Dark Energy Super Cosmos Parent Universe into-and out from-Our Space (Space-Time Normal Bubble Universe) with its Prime Base Energy Constant as simply 'E' which would REVAMP THE WHOLE $E=MC^2/M=EC^2$ by making 'E' as simply ALGEBRAIC 'ONE'-UNO. And in this system THERE IS NO ZERO ENERGY POINT & NO ENERGY LEVEL LOWER THAN----Prime Base Speed-Density Energy Level ONE----of Open Interstellar Space.(Within our HOME SPACE-TIME NORMAL 'Bubble Universe' AMBIENT BASE ENERGY SPEED-DENSITY level 'ONE' is the bottom-end of our home energy spectrum parameters & EC^3 ubed is the TOP-END which is again the NEXUS BLACK-HOLE SINGULARITY RE-INTEGRATION SPEED DENSITY AMBIENT BASE-LEVEL of DARK-ENERGY 'SuperSpace/UbiquitousAdjacentSpace.' SUPER

HENSE BY ACCESSING Super-Space/Super Gravity with a BAGEL BODY SUPER-CONDUCTOR PLASMA BREACH REACTOR we can PULL TIME INSIDE-OUT & BACK ON ITSELF Mobius fashion.

AND OR UTILIZING A 'MOBILE' BAGEL-BODY PLASMA BREACH REACTOR: We travel within the SUB-UNIVERSE GRAVIONIC BUBBLE of our Grav-Lobe Plasma-Breach BAGEL BODY SUPER CONDUCTIVE REACTOR Craft as we 'SLIP/Dimensionally Displace' ourselves OUT of the BUBBLE UNIVERSE 'Space Time Normal' parameters of both INTERSTELLER AMBIENT 'E'-SPACE and PLANETARY EC^2 (squared) SPACE TIME/EARTH-(planetary)MASS-FIELD NORMAL within 'E'-Space: AND actually AS WE JUMP(bink out & back in) MOBIUS-WISE distort SPACE NORMAL enough to actually have PULLED OURSELVES A BIT BACKWARD IN TIME! !! Thus with each 'pulse' of our Bagel-Body Incipient(make almost & break)Plasma Breach Reactor we 'RATCHET-BACK' milliseconds by RE-ENTRY SPACE-TIME COMPRESSION. Considering the rapidity of the Reactor's cycle this presents us for a quite significant BACK TIME COMPRESSION RATE as regards TIME-TRAVEL. And if each 'Re-entry' pulse is POWER BOOSTED SIGNIFICANTLY the rate and 'Time-Distance' BACK COMPRESSED will increase again the rate of BACK TIME DISPLACEMENT.eg. 'The rate that we may go 'backward in time.'

HENSE we arrive back into 'NORMAL SPACE/Time at list a 'speck' BACKWARD IN TIME! !! And maybe we can engineer it for a 'LONGER BACK JUMP;' I LIKE IT! But for every Pulse/Almost(insipient-full plasma breach dialation-MAKE----->and then Pulse-Break the Plasma Breach Dialation the Reactor's SURROUNDING Hyper-Grav Lobe Field as a product of the 'nearly open-Super Space' to 'Our Space'-Plasma

Breach NEXUS-PORTAL POINT' dialation-----AGAIN FOR EVERY REACTOR PULSE OPEN 'MAKE/PULSE COLLAPSE BREAK the surrounding Hyper-Grav Lobe Field is in fact a PSUEDO POD UNIVERSE surrounding the REACTOR/CRAFT. In real-time we're ONLY seeing the craft as it 'Pulse Slips' NEARLY completely into 'Our Space' and then 'Out' of Our-Space. We are in fact 'seeing' the craft as in the rapid fire 'frames per second' of old fashion motion picture film. And this as it 'appears-fades in' and then 'disappears-fades out' because its merely just passed (backed) 'THROUGH' our 'perceptual moment in time!'

HERE'S WHAT I'M TRYING TO SAY. With EVERY fractional-second 'Pulse Back' into Our-Space the Breach Reactor-Craft Grav-Lobe Field Pod RATCHETS 'BACKWARD' IN TIME DUE TO 'Re-Entry Space-Time Fractional Hyper Compression; hence EVERY 'RE-ENTRY' PULSE YIELDS A TIME MACHINE(only backward)EFFECT via RE-ENTRY SPACE-TIME COMPRESSION.

HOWEVER TO GO FORWARD IN TIME: We must use the CONVENTIONAL EINSTEINIAN TECHNIQUE as to simply GETTING AWAY FROM THE PLANET INTO 'Ambient 'E' Prime Base Interstellar Energy Constant SPACE-NORMAL out of any PLANETARY EC^2 (squared) NORMAL PLANETARY GRAVITY FIELD and hence as it were return in a relatively SHORT TIME into a RELATIVELY ACCELERATED Planetary BACK TO OUR 'FUTURE.' And accelerating to 'near' light speed in a Space-Normal inertial coasting mode we enhance the fast-time-forward effect.

So TIME TRAVEL IS NOT REALLY THAT BIG OF DEAL IN THE END. . . ;-)
Cheers~;-) ~~Jake Harbach O'Sullivan!~;-)

TESLA's & EINTEIN's TAO-Unified Field Theory in Form & Function

*V*TESLA-EINSTEIN 'TAO OF THE UNIFIED FIELD:' TESLA-EINSTEIN COMPREHENSIVE UNIFIED FIELD

~EN AETHROS(Dark Energy) VERITAS~AETHYR PHYSICS//TRANSDIMENSIONAL PHYSICS~

~DARK ENERGY PHYSICS REALIZED~ Jake Harbach O'Sullivan~

* * * TESLA'S & EINSTEIN'S AETHYR PHYSICS(Energetic infinite fabric of SPACE-TIME & DarkEnergy Parent &Surrounding SuperCosmos) ACCOMPLISHED THE UNIFIED FIELD THEORY & MADE them the 'FATHERS of the 21st CENTURY.'

GREETINGS: THE FOLLOWING SERIES IS MERELY THE FULL REALIZATION OF NIKOLA TESLA'S COMPREHENSIVE UNIFIED FIELD THEORY PROJECT NOW MADE PUBLIC. I WAS PRIVLEDGED TO BE A PART OF THIS CURRENT ILLUSTRATION OF TESLA'S GREAT WORK THAT FUNDAMENTALLY PERFECTS AND UNIFIES, EINSTEIN'S COMPREHENSIVE RELATIVITY WITH SPECIAL ATTENTION TO 'SPOOKY ACTION @ DISTANCE;' with QUANTUM MECHANICS, and M-THEORY/SUPER GRAVITY THEORY all in DYNAMICALLY BALANCE SYNTHESIS. The collaborators in this TESLA WORK of COMREHENSIVE THEORECTICAL SYNTHESIS, whether intentional or unintentional, are far too numerous to mention. HOWEVER, the most NOTABLE & DRAMATIC STRIDES & ACHIEVEMENTS exploiting these works ARE NOW FAR IN DEVELOPMENT IN RUSSIA, INDIA, & CHINA with the U.S. & UK energetically groping along behind. . . AND in those PIONEER nations the work of such men as ANTONOV & NIKITIN as the formost AETHER PHYSICISTS is the NEW FOUNTAIN HEAD OF TESLA PHYSICS which could truely be also called TRANSDIMENSIONAL SUPER-COSMOS PHYSICS.

*** TESLA PLASMA-BREACH (controlled gray-hole/dark energy accessing) ROTATING FIELD REACTORS

create via opening LIMETLESS SELF-SUSTAINING HIGH DENSITY ENERGY ACCESS cross-dimension/cross-spectrum portals & is achieved by USING TESLA ROTATING FIELD APPLICATIONS which 'open & thus effect' THE 'PLASMA BREACH' TECHNIQUE of CREATING A 'CROSS SPECTRUM' controlled WORM-HOLE. This functions to allow the NATURAL FUNNELING-SYPHON EFFECT from a HIGH-DENSITY ENERGY SPECTRUM level(Super Cosmos Dark Energy Field) through to a much LESS DENSE ZONE in the energy-spectrum(our MUCH LOWER AMBIENT DENSITY 'bubble' HOME UNIVERSE, of which their are like myriad others as our own Universe within the DARK ENERGY UNBIQUITOUS SUPER COSMOS; OR; the Infinite Aethric HIGH SPEED/DENSITY Dark Energy SEA). DarkEnergy SuperCosmos='AETHROS'/AE and is the CHAMPAGNE of UNIVERSES within the INFINITE HYPER ENERGITIC AETHRIC SEA.

SO IN SHORT: Our Dark-Energy Super Cosmos super high energy speed density AETHRIC SEA is both our PARENT ENERGY MEDIUM and the UBIQUITOUS DYNAMIC of the BIG-BANG WHITE HOLE and is also YIN YANG DICHOTOMY DRIVING MOTOR OF CREATION by also having EVERY PROTON CENTRE AS A GRAY-HOLE ELECTRO VALENT SHELL FLOW SYSTEM both connecting us to DARK ENERGY UBIQUITOUSLY via the COMPRESSED ENERGY VORTEX OF EVERY ATOM(proton gray hole electrovalent shell flow system)----->AND MOST SIGNIFICANTLY-----literally like a master spinner/weaver; FROM THE DARK ENERGY HYPER-GRAV DYNAMICS FROM THE OUTER 'SHELL' of our universe DARK ENERGY PULLS/EXCELERATES/ all energy from the BIG BANG-BIG WHITE HOLE FOUNTAIN INGRESS FROM SUPER SPACE POINT causing ALL INGRESSING ENERGY to be drawn into MYRIAD GOSSIMER skeins of ever exceleating & densifying HELICOID WAVE STRANDS representing the CREATION OF THE FULL PANOPLY of ENERGY WAVE LENGTHS within the UNIVERSE. . .

* * *FROM THE SEAMLESS WHOLE ENERGY internal BASE AMBIENT ONE-'E' MEMBRANE of our BUBBLE UNIVERSE, SURROUNDING SUPER SPACE DARK ENERGY GATHERS/DRAWS ALL OUTWARD and ATOMIC MASS to the exceleation rate Einstein's 'LIGHT SPEED LIMIT' of ATOMIC MASS where it REACHES THE NOW AMPLIFIED SPEED DENSITY OF DARK ENERGY. And thus the GRAY HOLE CENTRES of those exceleated PROTONS & GALAXIES-----GOES BLACK-----and ENERGY RETURNS TO THE MEDIUM FROM WHENSE IT SPRANG and we see MEGA-GRBs at that MOMENT at the RETURN OF GALAXIES BACK INTO DARK-ENERGY* * *

AND WHEN THE FIRST HELICOID ENERGY STRAND; BY THE UNBIQUITOUS OUT-PULL OF DARK ENERGY'S INEXORABLE DRAWING OF THE LOWER DENSITY UNIVERSE ENERGY-SHEET/MEMBRANE back into itself; reaches the AMBIENT MASS DENSITY THAT WE CALL 'ATOMIC MATTER' the HELICOID STRAND SEGMENTS INTO QUANTUM-PROTON density level TOTAL MASS SEGMENTS which HYPER SNAP INTO THE HIGH-SPEED/SUPER HIGH COMPRESSION LITTLE ROTATING FIELD 'PARTICLES' WHICH ITSELF BECOMES A GRAY-HOLE REACTOR AND OPENS UP A TINI PLASMA BREACH WORM HOLE 'iris' CONNECTING IT TO THE UBIQUITOUS DARK-ENERGY SUPER-COSMOS SPECTRUM. THE PROTON'S CENTRE BECOMES THE IRIS INGRESS POINT AND SOURCE OF THE PROTON'S electro valent shell flow system. HENSE ARE CREATED & COMPOSED OF THE FIRST HYDROGEN ATOM NEBULAE WHICH ARE THE STAR & GALAXY ROOKERIES. OTHERS HAVE WELL FORMULATED THE CREATION OF GALAXIES FROM THIS PROCESS AND THAT THE HUBS OF GALAXIES FROM THAT FIRST COLLAPSED STAR CREATES THE SINGULARITY WHICH FIRST GATHERS THE GALAXY'S STAR MASS. AND THEN THE VERY ROTATING STAR DISKS CENTRIFIC-GRAVIONIC OUT-PULL 'BALANCES' THE SINULARITY HUB IN TO A GRAY, RATHER THAN BLACK-HOLE. . . THAT FUNDAMENTAL PROCESS AT THE ATOMIC/PROTON & GALACTIC LEVEL MAY VERY CALLED 'The Central Pillar of Creation.'

AND THE MYRIAD BIG-BANG WHITE HOLE birth moments of the MYRIADS OF UNIVERSES are likened to the CHAMPAGNE BUBBLES WITHIN the SUPER DYNAMICS OF A HYPER-SPEED DENSE DARK ENERGY ROILING AETHRIC SEA created within the EYES OF DYNAMIC FRACTALLATING EDDYING TOROIDS which we would call VAST HIGH-DENSITY/HIGH SPEED SUPER DARK-ENERGY MAELSTROMS within DARK ENERGY SUPER SPACE. . . This is a NORMAL PROCESS of SUPERSPACE DARKENERGY CURRENT DYNAMICS. RUDIMENTARILY SPEAKING, the MAELSTROM'S super outward CENTRIFIC-GRAVIONIC pull on it's PIN POINT EYE is the PLASMA BREACH POINT where the BIG BANG siphon EGRESSes the now 'SLIGHTLY LESS THAN DARK' energy that has been NOW

DECREASED from the SPEED/DENSITY LEVEL OF DARK ENERGY'S BASE AMBIENT ENERGY MINIMUM PLATEAU LEVEL necessary to CONTINUE BEING DARK ENERGY. THUS IS OUR UNIVERSE BUBBLE FORMED BY THE EXPLOSIVE/PAROXISMAL SYPHONING EFFECT OF DARK ENERGY LITERALLY 'SUCKING' ITSELF FROM THE OUTSIDE OF THE BUBBLE'S by its INEXORABLE HYPER-GRAVIONIC 'OUT-PULL' -----and by that out-pulling action thereby----->IN THROUGH THE LOW DENSITY BIG BANG SINGULARITY INTO THE BUBBLE. THIS IS THE VERY AGONIC vs ANTAGONIC 'YIN YANG' DYNAMICS OF THE SOURCE AND CONINUAL FLUID-DYNAMIC SINGULARITY-SYSTEM FLOW THAT IS THE VERY BIRTH & SUSTENANCE OF CREATION. . . THIS IS THE 'TESLA TAO OF DARKENERGY HYPERGRAVITY.'

THE 'BIG BANG' TO US IS A SUPER ENERGETIC BIRTH OF A WHITE HOLE SUPER ENERGY FOUNTAIN----BUT----ENERGY NOW 'BELOW' THE BASE AMBIENT ENERGY SPEED/DENSITY LEVEL OF IT'S PARENT SUPER SPACE ORIGINS. BUT CONVERSELY our 'BIG BANG ORIGIN POINT' is but a MINISCULE LOW ENERGY LEAK IN/from out of THE SUPER COSMOS. AND within our LOW DENSITY BUBBLE UNIVERSE WOMB WE ARE BUT AS THE FIRST MICROSCOPIC CELL CLUSTER OF EMBRYONIC STEM CELLS WITHIN THE VAST LIFE DYNAMIC THAT WE simply call 'Mom' AKA 'Home.'~:-)

* * *TESLA'S MANDATED REFORMULATION OF EINSTEIN: REDEFINING MASS is thus: ONE-'E' BASE AMBIENT SPEED DENSITY ENERGY(interstellar space=ubiquitous 'E' membrane space) is exceledated helicoid wavestrng segments hyper voriticularly compressed @ the rate of(multiplied by the SPEED OF LIGHT SQUARED)-----AKA-----> 'M'=EC²qrd ergo MASS=ENERGY x THE SPEED OF LIGHT SQUARED

* * * PER EINSTEIN'S CORRECT EVALUATION of the OUTWARD EXCELERATING GALAXIES(all mass & refuting Hawking's BIG CRUNCH): MASS accelerated to light speed becomes once again pure DARK(state of 'no-time')ENERGY. This as we speak WE are becoming MORE SPEED DENSE and as OUR GALAXIES(us) are exceledating and our RELATIVE-TIME IS SLOWING DOWN and OUR PROTONS & ATOMS are ALL BEING RELATIVE MORE ENERGIZED from their SUBTLY EVER DIALATING GRAY HOLE CENTRES; but in BALANCE with our SURROUNDING MATERIAL/atomic mass ENVIRONMENT. . . THUSLY we are BECOMING MORE INTENSE BEINGS as we EVER JOURNEY TOWARD REUNITING WITH DARK ENERGY SUPERSPACE which EVER INCREASINGLY NOURISHES our atoms through our very PROTON CENTRES and is the very SOURCE OF THE SEAMLESS WHOLE ENERGY SYSTEM WHICH IS -----ALL----->IN ALL. . . AND HAPPILY toward the end WE WILL HAVE MUCH MUCH MORE TIME & INTENSITY than in the BULK DISTANCE OF OUR ENTIRE PRIOR JOURNEY. . . NICE.~:-) AND THUSLY THE AMBIENT BASE SPEED/DENSITY ENERGY LEVEL OF DARK ENERGY/SUPERCOSMOS('AE') IS EC²qrd x C which is equal to ENERGY times the SPEED OF LIGHT CUBED----->AE=EC³ubed. AETHROS=ENERGY x LIGHT-SPEED CUBED

SO THE EC³ubed BASE AMBIENT DARK ENERGY SPEED/DENSITY LEVEL is also the same as for the NEXUS OF A BLACK HOLE SINGULARITY which is simply an INTERFLOW SYSTEM'S NEXUS THROUGH TO DARK ENERGY SUPERSPACE. . . .

* * *THE EASIEST POINT HERE IS TO THE OBVIOUS CONCLUSION THAT 'E' or ONE-ENERGY is simply THE INCREMENTAL ORIENTATION POINT for the BASE AMBIENT SPEED-DENSITY ENERGY MEMBRANE/SHEET of our LOW DENSITY HOME ENERGY BUBBLE-UNIVERSE which we loosely refer to as INTERSTELLAR SPACE. AND EVEN THIS LIKELY IS A 'POSITIONAL RELATIVE' becoming MORE RELATIVELY DENSE TOWARD THE OUTER UNIVERSE physically nearer the DARK ENERGY HYPERGRAV BORDER. So 'ONE-ENERGY' IS MORE OF AN 'AVERAGE' of sorts but QUANTIFIABLE SPECIFICALLY AGAINST THE RELATIVE SPEED DENSITY OF EC³ubed DARK ENERGY SUPER COSMOS. . . ? ? ? Which came first, the AETHROS DARK ENERGY 'CHICKEN' or THE BUBBLE UNIVERSE 'EGG?' ANSWER: DEFINITELY THE CHICKEN!~:-)

ONE THING IS SURE HERE-----STASIS IS 'NEVER' & is FICTION.-----'STILL' is ONLY POSITIONALLY RELATIVE & BRIEF and NEVER ACTUAL, ergo ALSO A FICTION.----THE DYNAMO OF THE COSMOS NEVER, EVER, STOPS.

* * *NEGATIVE ENTROPY IS A 'relative' ALLUSION: SYSTEMS ARE UBIQUITOUSLY GROWING and the DEATH of any system is merely its REINCORPORATION-REINTEGRATION & FURTHER DYNAMIC SYNTHESIS OF IT INTO EVER GREATER SYSTEMS MATRIXIES OF THE SUPERCOSMOS. . . .

* * * * TO CROSS OUR UNIVERSE AT THE 'SPEED' OF DARKENERGY/SUPERSPACE(spooky action @ distance) is to GET TO THE OTHER SIDE of our UNIVERSE VIRTUALLY INSTANTLY upon YOUR DEPARTURE. . . WHAT WE CALL DISTANCES OF NEAR-INFINITY ARE UBIQUITOUSLY "as close as the NOSE ON YOUR FACE."

* * *HYPER-GRAV PROPULSION-----TESLA FIRST DESIGNED THIS: AND WE CAN NOW CREATE TESLA's ROTATING FIELD PLASMA-BREACH controlled gray-hole REACTORS: AND VIA THE HYPER GRAVITY AXIAL FIELD OF THIS NOW PERPETUAL BLEED THROUGH SELF SUSTAINING FLOW gyroidal REACTOR we can MOVE OUT OF NORMAL SPACE TIME as being within the reactor;s defacto FIELD MINI-UNIVERSE and be IMMUNE TO NORMAL SPACE-TIME INERTIAL EFFECTS within the FIELD POD of the REACTOR'S gray-hole HYPER DENSE ENERGY FIELD. . . THIS ALLOWS US TO LEAVE THE SPEED OF LIGHT FAR, FAR BEHIND and is exactly that WHICH THE DISCOVERY OF THE PHENOMENON of 'SPOOKY ACTION @ DISTANCE' THOROUGHLY PROVED TO BE HARD & STARK FACT. . . .

* * * THE MYRIAD SKEINS OF HELICOID-WAVE STRING wavelength spectrum phenomenon ABSORB INSTANTLY THE VAGRANT psuedo sub-atomic particles WHICH AS THE BIG FISH EATING THE LITTLE FISH are immediately reabsorbed into the UBIQUITOUS E-BASE AMBIENT MEMBRANE or the MYRIAD of the vast ENERGY SPECTRUM'S HELICOID WAVE LENGTHS.

PHOTONS ARE NOT PARTICLES BUT THE IMPACTS OF 'WHOLE WAVES' within HELICOID LIGHT-SPEED STRING.

ELECTRON SHELLS ARE HOLD QUANTUM ELECTRON AMOUNTS OF EMF CHARGE AT A SPEED DENSITY AT E @ $1/2$ LIGHT-SPEED SQUARED quantum speed/density. ELECTRICAL CURRENT FLOW IS EMF-WAVE STRING FLOWING OVER THE 'OUTER ELECTRO-VALENT SHELLS' OF CONDUCTOR ATOM-SYSTEMS. THIS CAUSES A DIALATION WITHIN THE GRAY-HOLE PROTON CENTRE AND DRAWS A CHARGE BOOSE FROM ITS WORM-HOLE AXIAL BLEED-THROUGH FIELD WHICH IS THE SOURCE OF THE ELECTRO-VALENT SHELLS. THE STIMULATED CONDUCTOR FIELD NOW OVER CHARGES ITS OUTER SHELLS RENDERING THEM MORE 'SLIPPERY' AND ACTUALLY DISCREETLY 'BOOSTS/ADDS' to the HELICOID EMF-WAVESTRING FLOW. HENSE IS THE DEFINITION OF A 'SUPERCONDUCTOR' one whose PROTON GRAY-HOLE PLASMA BREACH CENTRES-----tend to DIALATE QUANTIFIABLE LARGER WHEN CONDUCTING A EMF-HELICOID WAVESTRING FLOW. AND THAT FLOW IS THAT WHICH ACTUALLY WOULD LOOK LIKE MULTIPLE ELECTRON GOSSIMER SNAKES WREATHING ABOUT THE CONDUCTOR'S ATOMS; AND THE MORE THE CONDUCTOR'S ATOMIC STRUCTURE IS 'LINED-UP,' THEN THE MORE UN-IMPEDED THE EMF-HELICOID WAVE STRING FLOW. . . AND THUS IS 'RESISTENCE.'

* * * CAPACITANCE OF CONDUCTORS IS MERELY A CLINGING EMF-HELICOID WAVE STRING FLOW CREATING A DEFACTO UNSTABLE CONTINUOUS FLOW 'ENCAPSULATING-INTERFLOW-ATMOSPHERE' WHICH IS A POSTENTIAL TO RELEASED/DRAWN OFF WHEN 'GROUNDED.' BUT TO THINK THAT THE CHARGE-POTENTIAL IS SOMEHOW 'STATIC' IS VERY MUCH----->IN ERROR. DYNAMIC CONSTANT MOTION IS THE LAW OF ENERGY WHICH IS UNIMPEACHABLE & NOT EVER SUBJECT TO MODIFICATION. . . .

* * * 'TESLA-ISM'* * * ELECTRONS AS A FREE FLOWING EMF-GLOBES/PARTICLES IS A FICTION: HELICOID EMF-WAVE STRING FLOWS 'OVER' THE OUTER ELECTRO VALENT SHELLS OF CONDUCTOR'S ATOMIC MATRIXIES-----HOWEVER-->NEITHER so-called FREE ELECTRONS NOR ACTUAL QUANTUM-ELECTRONS ARE RELEASED FROM ANY CONDUCTOR'S ATOMS. . . IT'S SHELLS MAINTAIN THEIR FULL STABLE ELECTRO-VALENT QUANTUM-ELECTRON NUMBER and do NOT BECOME ISOTOPIC LEAPFROG SYSTEMS by the application of EMF-Helicoid wavestring induction-----

-----EVER. . .

* * *CHEMICAL &/or IONIC REACTIONS: EMF-INDUCTION AS A CATALYST INDUCING CO-VALENT BOND ALTERATION of the QUANTUM ELECTRON ELECTRO-VALENT DYNAMICS ARE THE EXCEPTION to the above AS when EMF-HELICOID WAVESTRING ENERGY INDUCES/catalizes THE STIMULATION OF MOLECULAR RECONSTRUCTIONS TO PRODUCE SUCH AS 'OZONE' etc.

ATOMS are PROTONS(hydrogen) & PROTON CLUSTERS which individually are each A GRAY-HOLE PLASMA-BREACH & AXIAL INFLOW ELECTRO-VALENT FLOW SYSTEM. NEUTRONS ARE ROLLER BEARING LIKE COMPRESSIONS FORMED BY THE DYNAMIC OF MULTIPLE PROTONs (elements) THAT 'UNITE-THEIR' ELECTRO-VALENT QUANTUM-ELECTRON SHELLS INTO ONE unified system. THE NEUTRON IS NOT A GRAY-HOLE SYSTEM AND WHEN 'FREE' STAYS A COHESIVE ATOMIC PARTICLE LONGER THAN ANY OTHER. BUT BECAUSE IT IS ALSO A ENERGETIC SPIN-COMPRESION, IT'S OWN CENTRIFIGAL DYNAMICS QUICKLY RELEASE IT'S ENERGY TO GREATER SYSTEMS WHETHER IT IS MERELY BACK INTO THE UBIQUITOUS 'AMBIENT BASE E-ENERGY MEMBRANE' of Interstellar Space or absorbed into MORE SPEED-DENSE HELICOID WAVE STRING FLOW or into another ATOMIC SYSTEM/MASS. But the Neutron has released its energy and brief 'particle identity' & NEVER JOINS UP ANOTHER SYSTEM AS A VAGRANT & SOVEREIGNLY QUASI-STABLE PARTICLE ADDITION. . . NEUTRONS DO NOT by 'addition' CREATE ISOTOPES but rather BY THE SIMPLE METHOD OF FISSION-IMPACT(atom splitting).

* * * AND IN POINT OF FACT THE FISSION released ENERGY OF THE 'BOMB' CREATES THE RING TOROID FREE REACTOR FIELD OPENING A PIN-POINT BRIEF INSTANT WHITE-HOLE PLASMA-BREACH AND THE PILLAR OF FIRE FROM THE CENTRE IS PURELY FROM THE VERY BRIEF OPENING OF A PURE-PLASMA BREACH PORTAL OPENING ALOWING JUST A TOUCH OF SUPERSPACE DARK ENERGY ENTER AND CAUSE A 'FUSION.' AND as TESLA dramatically prove a TOROID BROADCAST TOWER such as WARDECLYFF TOWER can FRISBEE A HIGH ENERGY FREE ATOMOSPHERIC 'PRE'-PLASMA BREACH GYRO-TOROIDAL COHESIVE FIELD(but always initially NORTH via the GEOMAGNETIC-FLUX FLOW of the planet); AND THAT FREE TOROID FRISBEE can BOUNCE OFF/OVER the NORTH POLE & be induced-amplified by the MAGNETIC NORTH POLE. HENSE TESLAS 'FRISBEE' MAY HEAD FURTHER SOUTH A BIT via its now massive EMF-INERTIA, and let's just say that the 'TESLA EMF pre-plasma-breach HIGH ENERGY BROADCAST FRISBEE' run into a high energy weather front and draws/grounds via a fairly high density LIGHTENING STRIKE. . . . QUITE POSSIBLE the FRISBEE PRE-PLASMA BREACH now AMPLIFIES TO FULL PLASMA BREACH and AT THE EYE OF THE EMF-GYRO-TOROID FRISBEE is opened up to a short mini-burst of pure DARKENERGY BLEED-THROUGH just for the fraction of an instant to cause AN UPPER ATMOSPHERE ATOMIC-FUSION REACTION likely over TUNGUSKA, SIBERIA, RUSSIA. . . And oddly enough TESLA'S WARDECLYFF TOWER HIGH DENSITY SOLO BROADCAST EXPERIMENT WAS BROADCAST merely ONE SPLIT INSTANT BEFORE THE FAMOUS TUNGUSKA BLAST!

THIS PHENOMENON CAN BE REPRODUCED 'WEAKER' AND EFFECT THE BROADCAST OF THIS LONGITUDINAL BROADCAST GYRO-TOROIDAL EMF-FRISBEE GRIN who's ELECTRO-GRAVIONIC WAKES WREAK UTTER HAVOC OF SUCH THINGS AS AIRCRAFT & MISSLES ADJACENT TO THESE HIGH SPEED ELECTRO-GRAVIONIC FRISBEE WAKE which can be VIRTUALLY LIMITLESS in NUMBER TO hyper-rapidly BROADCAST. . . HENSE THE NOW not so new ELECTRO-GRAVIONIC METEOR ANTI-MISSILE SYSTEM OF WHICH THE AMERICAN 'HAARP' system was merely the FIRST PROTOTYPE after WARDECLYFF TOWERS in 1908. HENSE ALSO THE END OF THE COLD WAR which was the REAL SECRET KNOCK-OUT PUNCH OF 'STAR WARS.' AND THIS IS THE VERY SAME ACTUAL GRID THAT NOW VLADIMIR PUTIN IS SO DISTRAUGHT ABOUT HAVING THE AMERICANS INSTALL IN EASTERN EUROPE.

THE NEXT DISTURBING FACT IS THAT NOW THE 'HAARP' PROTOTYPE HAS BEEN SOLD INTERNATIONALLY TO 'THE CARLYSLE GROUP.' AND DISTRESSINGLY 'SAID CARLYSLE GROUP' is merely a CLONE-SUBSIDIARY OF THE BIN LADEN GROUP under the umbrella of the SAUDI ROYAL KINGDOM HOLDING COMPANY. ? ? ? WHAT IS WRONG WITH THIS PICTURE ? ? ? IS ISRAEL

PAYING ATTENTION?

* * *OUR CURRENT EMPIRICAL GRASP OF SUCH AS CHEMISTRY, PHYSICS, & ELECTRICAL ENGINEERING BASICALLY DO A GREAT JOB OF QUANTIFYING THEIR ENERGY EXCHANGE DYNAMICS OF OBSERVED PHENOMENON and there by OUR INVENTIVE CRAFTSMANSHIP ALLOWS US TO CONTROL AND UTILIZE THEIR ENERGETIC EFFECTS and thereby build some REALLY COOL STUFF; but in stark contrast OUR UNDERSTANDING OF THE FUNDAMENTAL 'ACTUAL ACCURACY' OF WHAT IS SPECIFICALLY GOING ON VIA QUANTUM MECHANICs BEING 'TESLA-IZED' within AETHER PHYSICS, WILL without fail BRING SOME PROFOUND CHANGES INTO OUR FUNCTIONAL ABILITY TO TAP & NAVIGATE BRAND NEW REALMS.

AS IT IS SAID(Albert Einstein), "The Universe is not only STRANGER THAN WE IMAGINED, the Universe is STRANGER than we CAN imagine! but maybe NOT SO MUCH for----->~NIKOLA TESLA aka THE FATHER OF THE 21st CENTURY!~(and he was Albert Eintstein's DIRECT MENTOR as well! ! !)

IT OCCURS TO ME TO TENTATIVELY LABEL THE ABOVE as the 'TESLA-EINSTEIN SUPER-COSMOS DARK ENERGY HYPER-GRAVITY THEORY;' or maybe the 'TESLA-EINSTEIN DARK-'E' HYPER-GRAV THEORY.' BUT LIKELY SOMEBODY ELSE WILL GET THE GIST BETTER THAN MYSELF AND PERFECT AN APPROPRIATE MUCH BETTER ACRONYM.

CHEERS & THANKYOU: Respectfully, Jack Harbach/O'Sullivan
